

TECHNICAL SKILLS IN HIGH DEMAND

National Skills Development Programme (NSDP)

The NSDP is an initiative of the Government which aims at better matching skills with the demand of employers through customised training programmes. The NSDP is implemented by the Human Resource Development Council (HRDC) in close collaboration with the Private Sector.

Eligibility criteria for trainees:

- Must be unemployed.
- Aged from 16 to 35 years old.

Duration of Programme:

- Between 3 to 12 months, including classroom and practical training followed by work placement.

Why Participate?

Enterprises / Industry Associations:

- Enterprises / Industry Associations can identify skill shortages and mount training programmes tailored to the needs of their business.
- Enterprises / Industry Associations can benefit from various incentives to support them in training their future employees.
- The cost of training as well as a monthly stipend for the trainees will be funded by the HRDC.

Training Cost:

- Training expenses for each trainee will be met by the HRDC.

Stipend for trainees:

- The HRDC will provide each trainee with a monthly allowance of Rs 6,000, including travelling expenses during the training and placement period, based on attendance.

Unemployed youths:

- No course fees for trainees.
- Unemployed youths will be trained in technical skills which are in high demand to assist them in obtaining an employment.
- The HRDC will provide each trainee with a stipend of Rs 5,000 and a transport allowance of Rs 1,000 every month for the duration of the course and placement.

Training & Placement for unemployed youth
